OVERVIEW

The Capital Market Masterplan 2026-20230 (CMP) launched by Securities Commission Malaysia on 9 March, is set to Reshape and Recalibrate the Malaysian capital market. Join us for a fireside chat with YBhg. Dato' Mohammad Faiz Azmi, Executive Chairman, Securities Commission Malaysia as he shares how the CMP will influence market direction and what this will mean in practice for listed companies and market participants.

The conversation will unpack the thinking behind initiatives such as the MY Value Up Programme, the evolving dynamics between the public and private markets, the pursuit of regional growth opportunities and the repositioning of the capital market to drive transition, innovation and long-term resilience, clarifying what is changing, why it matters and how to respond.
